

Conifer Water Resources Seminar

Conifer Area Council

Saturday, May 18, 2024 -- 8:00 A.M. to 12:00 noon

West Jefferson Middle School

9449 Barnes Avenue Conifer, CO 80433

How does water get to our faucets? *and* Is there enough water to meet all of our needs?

This seminar brings geologists, hydrologists, watershed experts together with county and state water managers and planners to illuminate the mystery about our water. The seminar will provide knowledge useful to managing your property's water system and allowing you to work at the community level to interact intelligently with developers, regulators, and elected officials to best develop and conserve our essential resource.

Refreshments will be available.

Presentations start at 8:30, finish at 11:20, followed by a panel Question and Answer session.
